RV Storage Rates · Owner's guide 2026

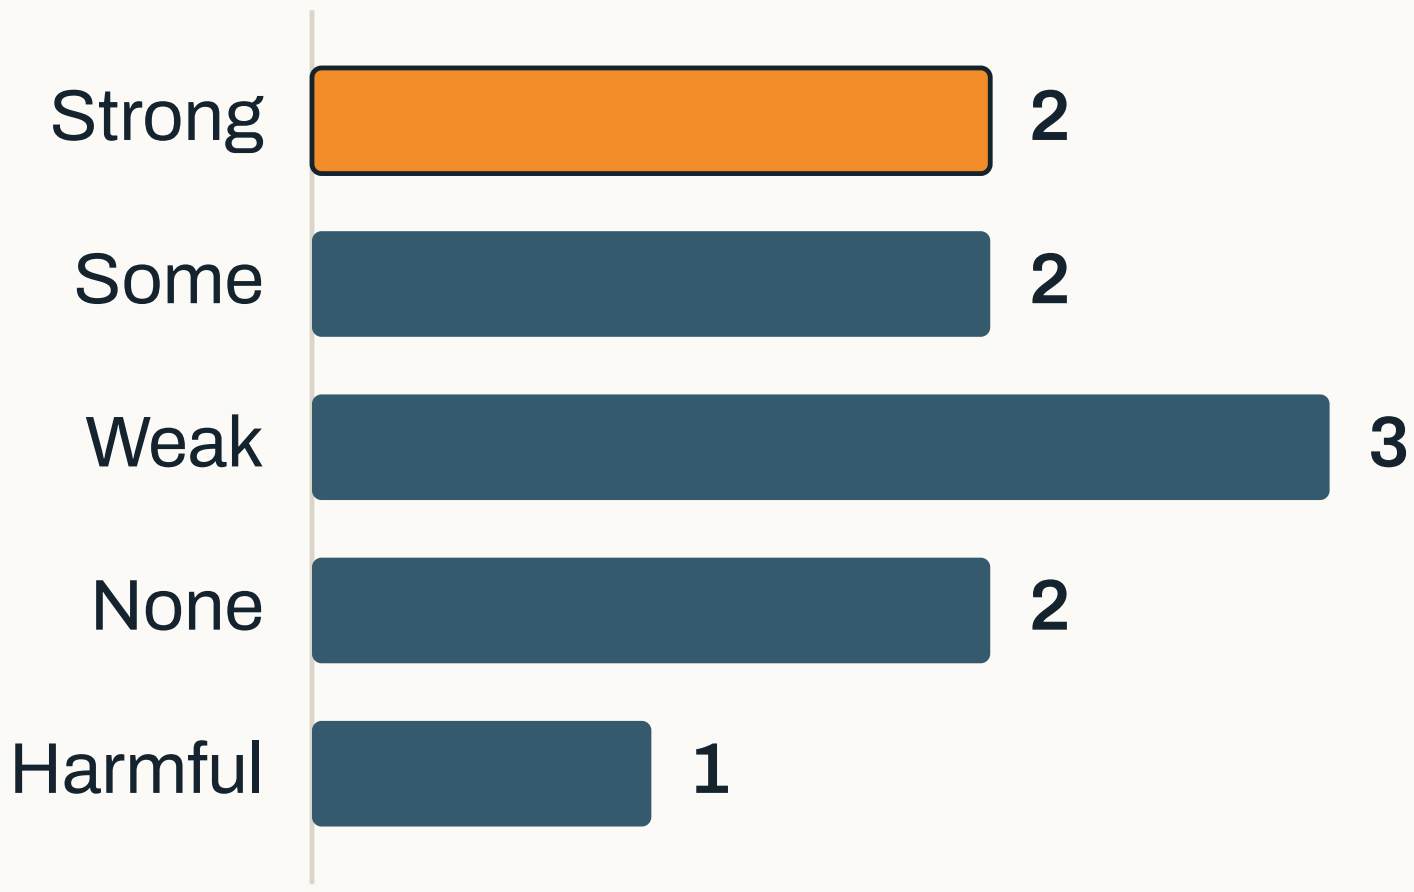

Keeping mice out of a stored RV: only 2 of 10 methods have strong evidence

Ten common rodent-control methods for stored RVs, graded against CDC, EPA, extension and peer-reviewed sources.

2 of 10
methods with strong evidence: sealing gaps, snap traps

1/4 in
gap a mouse can fit through (CDC)

20 min
CDC airing time before cleaning a vehicle
